The lobby of The Aryaduta Jakarta epitomises the hotel. Airy and relaxed, it greets you with warmth and friendliness. That same feeling extends to the adjoining Ambassador Lounge (Aryaduta means "ambassador"). Here people gather for a morning cup of famous Javanese coffee, a chat over afternoon tea, and an evening cocktail accompanied by live music.

Our 340 gracious guestrooms and suites are home to the business traveller who wants 5-star comfort in the heart of the city. Each is decorated with Indonesian artifacts - woodcarvings, pottery, paintings and batiks. You'll also find an executive desk, spacious marble bathroom, satellite television, and a minibar. Some rooms even have their own private lanai leading to the outdoor swimming pool.

Regency Club occupies four floors and a special place in the hearts of discerning business travellers. Here the rooms are opulent and even more comfortable. Two superbly appointed lounges serve buffet breakfast, all-day beverages, and cocktails. And guests enjoy a level of extra-personalised service 24 hours a day.

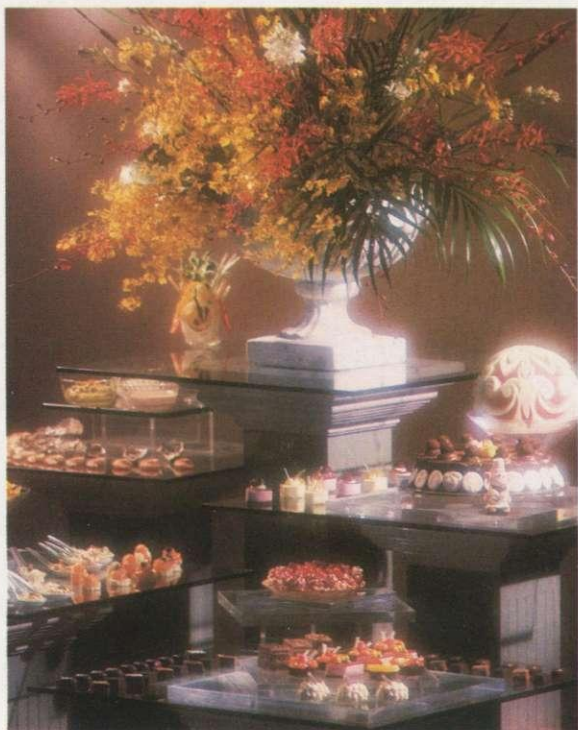

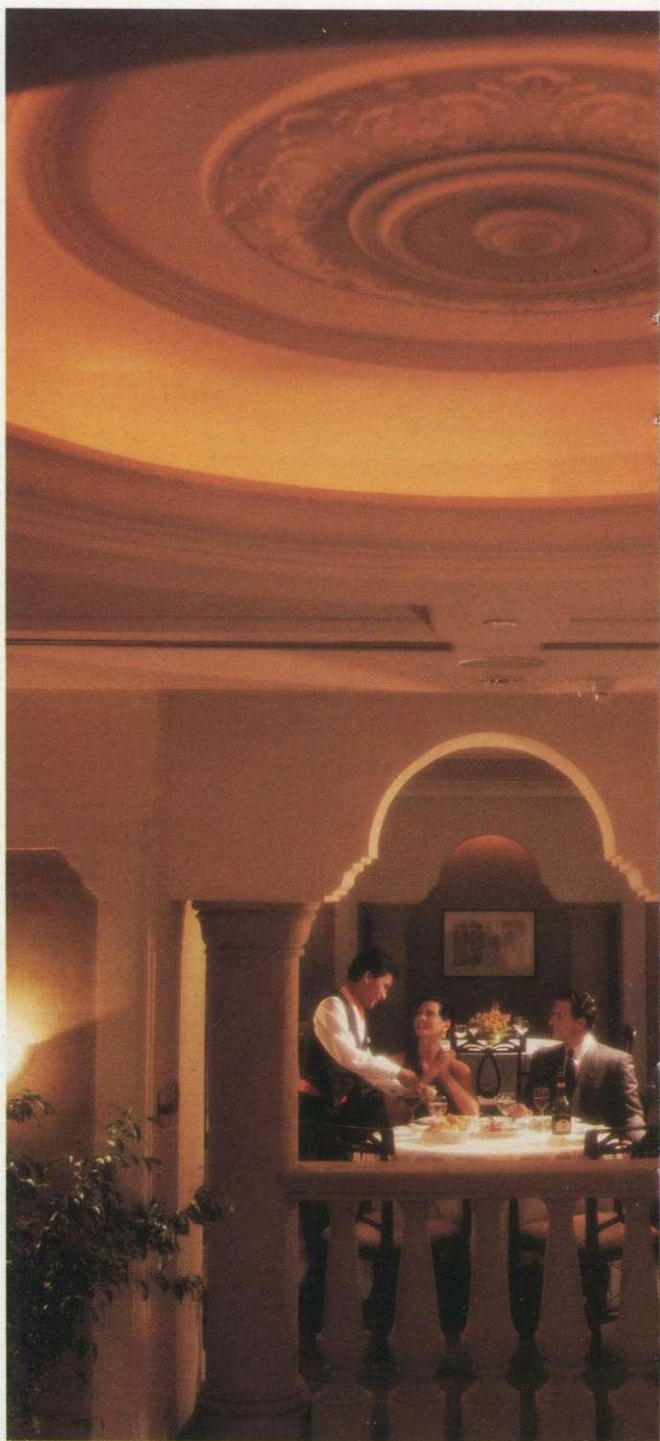

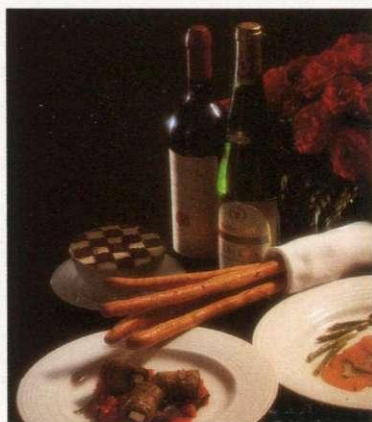

The Aryaduta Jakarta takes a unique approach to dining. At the Teratai Cafe Restaurant you can enjoy an elaborate international buffet and sample Indonesian cuisine as diverse as the 27 provinces that make up the country.

Shima Japanese Restaurant, with private rooms for important business dinners, is unrivalled for sushi, sashimi and teppanyaki. And the Jasmine Patisserie prides itself on delicate pastries, rich chocolates and freshly baked breads.

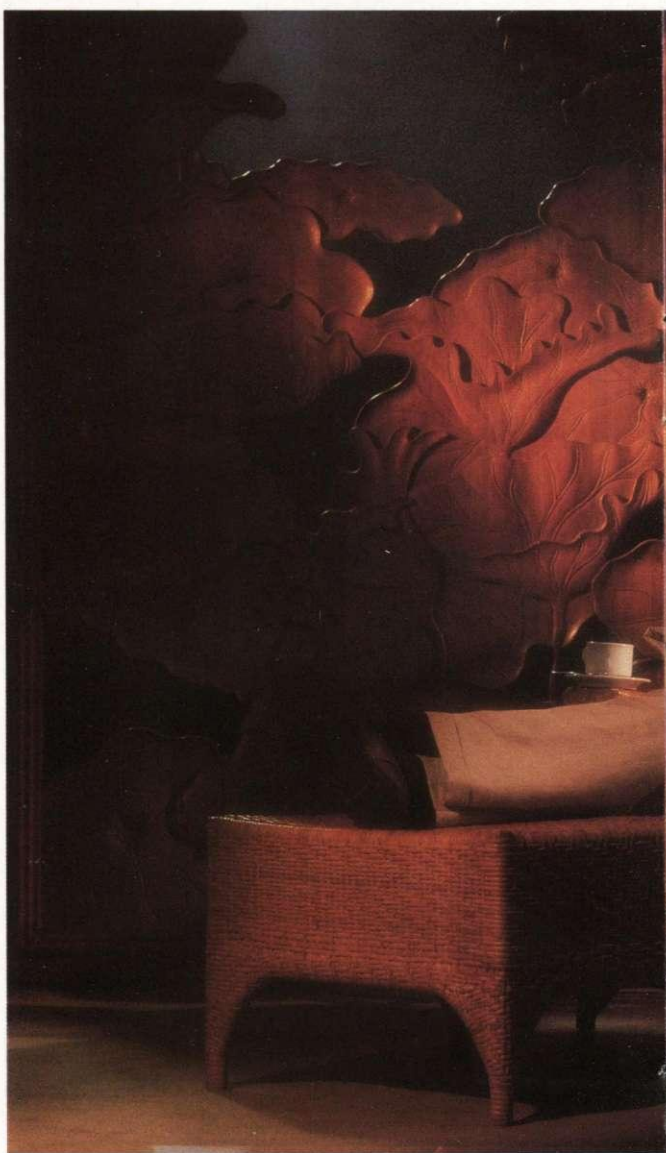

Italian cuisine is appreciated throughout the world. And nowhere is this more true than at Ambiente, our specialty Italian restaurant and Jakarta's finest. Whether it's a business lunch or a romantic dinner, the fine selection of antipasti, pastas and wines is magnifico. Serenading musicians add a lyrical flourish to the classical atmosphere and impeccable service.

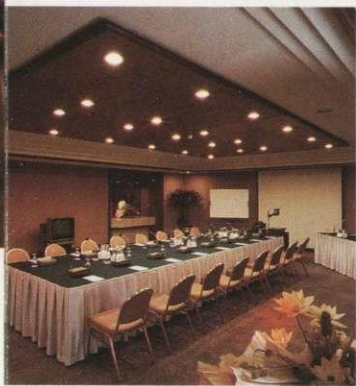

The pub-style atmosphere of The Tavern is a complete change of pace from the business paper-chase. It features pub lunches and dinners, our famous hot-stone steaks you cook yourself and a variety of specialty "Tavern" dishes. Have a game of darts or just relax and enjoy the live entertainment.

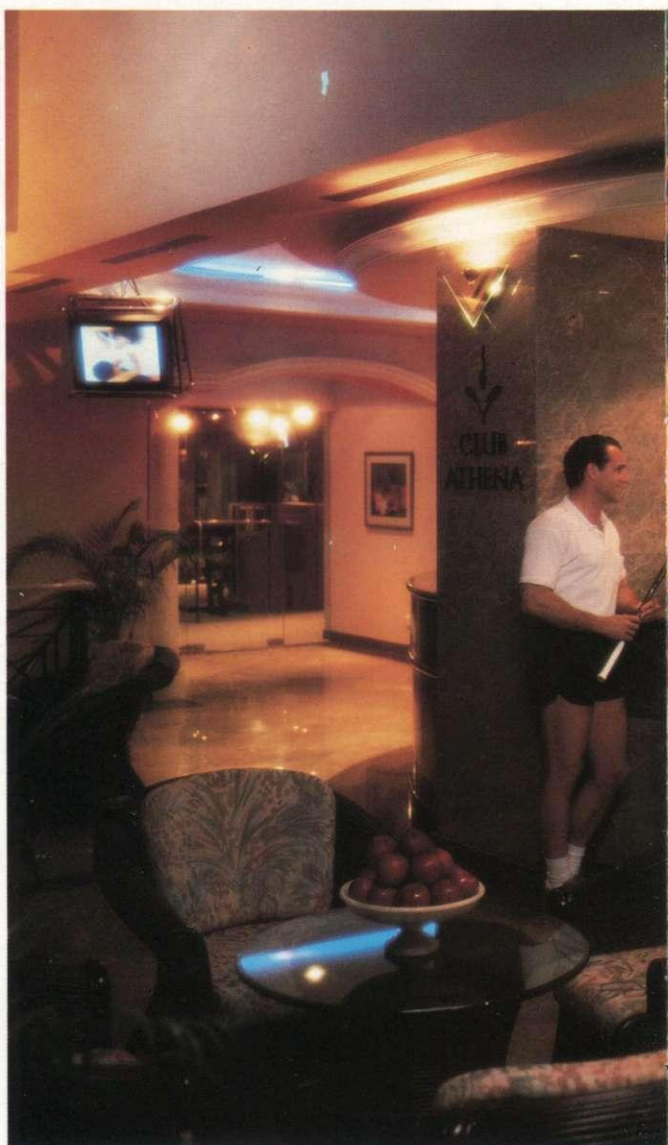

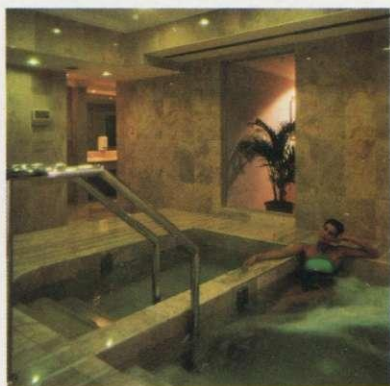

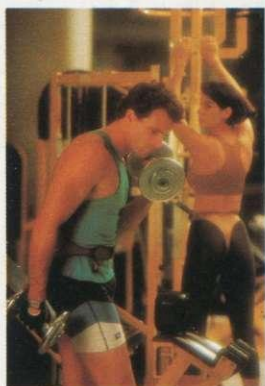

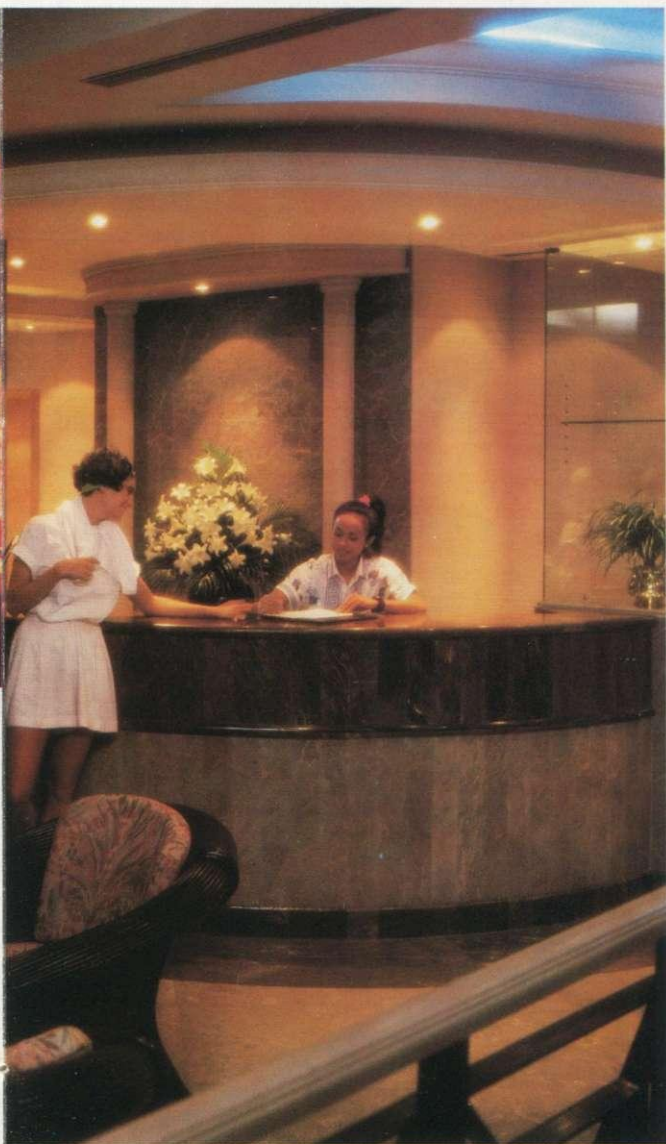

When it comes to organising a business function, you won't have to move a muscle. We'll handle everything. Our Ballroom seats 350 for a banquet, 600 for a theatre-style presentation. And we have versatile function rooms to suit a variety of needs. Also, our Business Centre has all the latest facilities and services, including a team of multilingual staff.

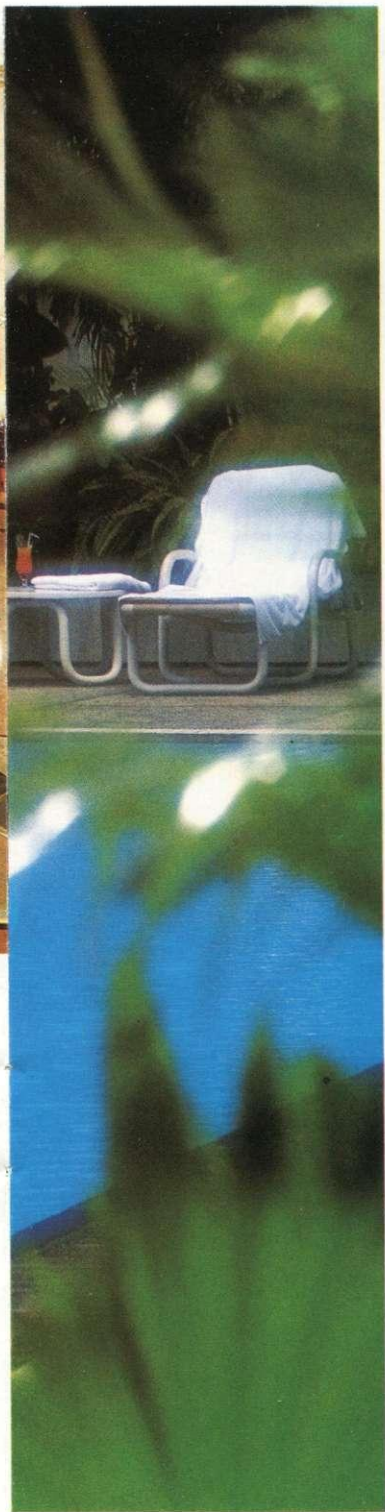

Welcome to Club Athena. The emphasis here is on health and fitness, and the choice is yours. Squash, aerobics, body building and toning, Jacuzzi, sauna, steambath, and massage. Everything to revitalise your body and soul. And if golf or tennis is more to your liking, we can arrange that too.

Just upstairs from Club Athena is our outdoor swimming pool and Balinese wading pool. A dip is welcome relief from the hot Jakarta temperatures. Or cool down with an exotic cocktail and light snack from the Pool Bar. Then take a tropical siesta.

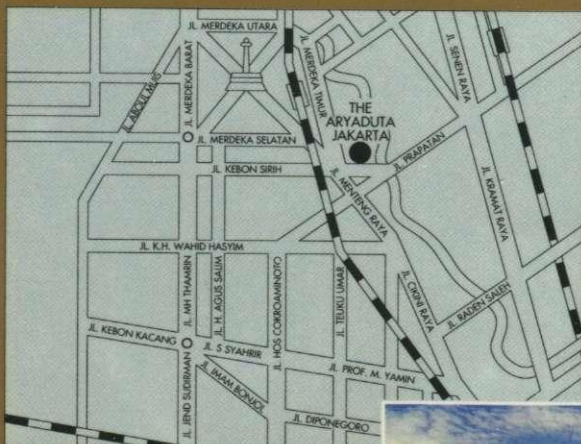

Jakarta is a fascinating city to explore. Discover its Dutch colonial past (Old Batavia), a traditional Indonesian market, a batik factory, the National Museum and the thriving nightlife, which is one of Asia's best-kept secrets. All from the comfort of The Aryaduta Jakarta. A hotel with great personal charm.
